

Cookie Policy Mix-Master4You EN

LAST MODIFIED: 11 April 2024

Welcome to Mix-Master4You.

This website mix-master4you.com (“Our Site”) uses Cookies and similar technologies to distinguish you from other users. By using Cookies, we can provide you with a better experience and to improve Our Site by better understanding how you use it. Please read this Cookie Policy carefully and ensure that you understand it. Your acceptance of Our Cookie Policy is deemed to occur if you continue using Our Site. If you do not agree to Our Cookie Policy, please stop using Our Site immediately.

What Are Cookies

In accordance with standard procedure for most professional websites, this site utilizes cookies. Cookies are small files that are downloaded to your computer to enhance your browsing experience. This page will outline the information collected through these cookies, the purpose of their use, and the reasons for their storage. However, we will also provide information on how to prevent the storage of these cookies, though this may cause some parts of the site’s functionality to degrade or not work properly.

How We Use Cookies

We utilize cookies for various reasons as outlined below. Unfortunately, there are no universally accepted methods to disable cookies without completely disabling the features and functionality they bring to our website. We advise that you keep all cookies activated if you are unsure about their purpose as they may be necessary for providing services that you utilize.

Disabling Cookies

Preventing the setting of cookies is possible by adjusting the settings on your browser. Consult your browser’s Help section for instructions on how to do this. Please note that disabling cookies will impact the functionality of this website as well as many others that you may visit. Generated by Termzy.io. This can result in the disabling of certain features and functionality on this site. It is advised to not disable cookies for the best user experience.

The Cookies We Set

Site preferences cookies

In order to provide you with a great experience on this site we provide the functionality to set your preferences for how this site runs when you use it. In order to remember your preferences we need to set cookies so that this information can be called whenever you interact with a page is affected by your preferences.

Forms

Submitting data through forms, like those on contact pages or comment forms, may result in the setting of cookies to retain your user information for future communication.

Third Party Cookies

In certain instances, we utilize cookies supplied by trustworthy third parties. The section below outlines the third-party cookies that you may come across while using this website.

Understanding the statistics of how many of our site visitors actually make a purchase is crucial for our business as we sell products. This is where these cookies come into play as they track this kind of data. This

information benefits you as it enables us to make accurate business predictions and monitor our advertising and product costs to ensure we offer the best price possible.

To sustain the operations of this website and support its future growth, we rely on advertising. Our website employs behavioral advertising cookies that anonymously monitor your preferences to present you with the most relevant ads possible. This allows us to deliver advertisements that match your interests.

This site utilizes third-party analytics to monitor and evaluate usage, enabling us to create captivating content. These cookies may gather information such as your time spent on the site or the pages you visit, providing us with insights to enhance your overall experience on the site.

The advertising service we utilize, Google AdSense, employs a DoubleClick cookie to deliver more relevant advertisements across the internet and to restrict the frequency at which a specific advertisement is displayed to you.

For more information about Google AdSense, please see their policy FAQ.

In certain situations, we utilize cookies from trusted third-party sources. The next section outlines the third-party cookies that you may come across while using this website.

On this site, we utilize social media buttons and plugins that enable you to connect with your social media account in different ways. For these to function correctly, cookies will be set through our site that may be utilized to improve your profile on the social media site or contribute to the information they hold for various reasons outlined in their individual privacy policies.

Occasionally, we experiment with new features and make slight modifications to the site's presentation. During these testing phases, cookies may be employed to guarantee a consistent experience for users and to gather information on which optimizations are most favored.

Our website utilizes Google Analytics, a highly reputable and widely used analytics tool on the internet, to gain insight into your usage of the site and ways to enhance your experience. The cookies used by Google Analytics may keep track of the duration of your visit and the pages you browse, allowing us to continually create content that is engaging for you.

Refer to the official Google Analytics page for additional information regarding Google Analytics cookies.

We hope this explanation has cleared things up for you. As mentioned before, if you are uncertain about whether a cookie is necessary, it is generally safer to keep cookies enabled in case it affects any features you use on our site.

More Information

Hopefully, that has clarified things for you, and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site.

However, if you are still looking for more information then you can contact us at **mixmaster4you@gmail.com**
